Lakota Wildlife Center is NOT open to the Public, but we try to attend to the phone specifically between the hours of:

9:00am - 5:00pm (E.S.T.) Monday - Friday

The office is closed on Saturdays and Sundays except for special arrangements for drop-offs and Special Events.

Because of the nature of our work, we check messages regularly around the clock for emergency situations.

We return calls according to the urgency and try to respond within 24 hours.

Please check out Events Calendar for special events or call our Administration office to schedule a tour.
